

Fleet and Freight Logistics

1. Overview

This programme is intended for participants working towards a national qualification or those in a supervisory or fleet management role. Gaining this competence will improve their job performance.

2. Learning Outcome:

- Understand and apply key vehicle fleet management principles
- Apply knowledge of logistics, supply chain, and maintenance in fleet management
- Select suitable vehicles and appropriate acquisition and financing methods
- Implement the organization's fleet management policy effectively

Qualification:

Certificate of Completion

Duration:

2-Months

Programme Type:

Category B – Workplace-Based Learning Programme

Programme ID:

PA0260

SAQA US:

113827

NQF Level:

4

Credits:

12

Entry Requirements:

Communication & Mathematical Literacy at NQF 3

Training Options:

Online - Each participant will receive access to an online portal, where all programme materials and resources are available. Training is delivered fully online, and participants will join scheduled Microsoft Teams sessions facilitated by a trainer. This mode provides flexibility and allows learners to participate from any location.

Blended - Blended learning combines both online and face-to-face training. Participants receive access to an online portal for online content, resources, and self-paced activities. They also attend scheduled in-person contact sessions with a facilitator, either at the client's premises or providers campus. This approach offers the flexibility of online learning with the added support of guided, interactive sessions.

Face-to-Face - Each participant will receive training resources, which contains all programme materials and resources. Training is delivered through onsite contact sessions, either at the client's premises or providers campus, where a facilitator conducts the sessions in a classroom environment.

Minimum Learners Required:

(1) Online, (1) Blended & (1) Face-to-face

3. Programme Content

- (113827 US): Operate the fleet

4. Assessments

This programme includes a Portfolio of Evidence (POE) that must be submitted at the end of the programme. The POE include:

- **Knowledge Assessments:** To evaluate theoretical understanding.
- **Practical Assignments:** Hands-on tasks related to course topics.
- **Workplace Assignments and Logbook:** Application of skills in real-world settings.

Successful participants will receive a certificate of completion.

5. Workplace-Based Learning Programme

This WLP is a fusion of academic learning and practical work. The learning is directly applied to the workplace by using client-based mentors and extensive workplace-based portfolio work and assignments. Apart from the obvious benefits of a workplace directed qualification, each WLP qualifies for recognition as a Category B Skills Programme in the Learning Matrix of the Amended BEE codes, which allows for the salaries of participants to be recognized as part of the Skills Development Expenditure.

We trust that the above is in order and look forward to hearing from you for Implementation
