

Introduction to Trade and Logistics

1. Overview

The purpose of this programme is to help participants understand how local and international trade works, and how their organisation fits into the global trade environment. This knowledge will enable them to improve service delivery to both internal and external customers, contributing to overall business success and competitiveness in the marketplace.

2. Learning Outcome:

- Supply and demand
- Absolute and comparative advantage
- Value chain
- International trade agreements
- Modes of transport

Qualification:

Certificate of Completion

Duration:

3-Months

Programme Type:

Category B – Workplace-Based Learning Programme

Programme ID:

PA0176

SAQA US:

117668

NQF Level:

4

Credits:

15

Entry Requirements:

Communication & Mathematical Literacy at NQF 3

Training Options:

Online - Each participant will receive access to an online portal, where all programme materials and resources are available. Training is delivered fully online, and participants will join scheduled Microsoft Teams sessions facilitated by a trainer. This mode provides flexibility and allows learners to participate from any location.

Blended - Blended learning combines both online and face-to-face training. Participants receive access to an online portal for online content, resources, and self-paced activities. They also attend scheduled in-person contact sessions with a facilitator, either at the client's premises or providers campus. This approach offers the flexibility of online learning with the added support of guided, interactive sessions.

Face-to-Face - Each participant will receive training resources, which contains all programme materials and resources. Training is delivered through onsite contact sessions, either at the client's premises or providers campus, where a facilitator conducts the sessions in a classroom environment.

Minimum Learners Required:

(1) Online, (1) Blended & (1) Face-to-face

**A choice of leveraged programmes for any person,
At any level, in any department, of any company, in any industry.**

3. Programme Content

- **(117668 US):** Demonstrate an understanding of the basics of local and international trade

4. Assessments

This programme includes a Portfolio of Evidence (POE) that must be submitted at the end of the programme. The POE include:

- **Knowledge Assessments:** To evaluate theoretical understanding.
- **Practical Assignments:** Hands-on tasks related to course topics.
- **Workplace Assignments and Logbook:** Application of skills in real-world settings.

Successful participants will receive a certificate of completion.

5. Workplace-Based Learning Programme

This WLP is a fusion of academic learning and practical work. The learning is directly applied to the workplace by using client-based mentors and extensive workplace-based portfolio work and assignments. Apart from the obvious benefits of a workplace directed qualification, each WLP qualifies for recognition as a Category B Skills Programme in the Learning Matrix of the Amended BEE codes, which allows for the salaries of participants to be recognized as part of the Skills Development Expenditure.

We trust that the above is in order and look forward to hearing from you for Implementation
